

The number 40 holds a special significance in the Bible, signifying a period of testing, transformation, or divine intervention. It's the same length of time Jesus spent in the wilderness being tempted by the devil, and the same timeframe He appeared to His disciples after His resurrection, offering teachings and solidifying their faith.

The number 40 is also the same amount of days that passed since after people were trying to take my life from me without me knowing by the actions, words, and events that took place between June 27th and July 3rd. During that time I made the decision to refuse to live with the guilt of survival while someone else would lose their life because I couldn't live my life knowing I left people to die even after what they did to me. I have since then prayed for their forgiveness.

His decision to save my life stemmed from the refusal to live with the guilt of survival at someone else's cost. While fighting for my life in an ambulance on July 03rd after choosing to give up my life for people who were trying to take mine from me at the same time. In the ambulance I remember hearing a Voice speaking to me saying...

“ Stay with me jerry stay with me “ “ Keep your eyes open “

Skip forward 40 days from July 03rd and We are arrived at August 11th

What happened before August 11th will be described in this testimony after I share with you what happened on August 11th on day number 40

August 11th

I remember hearing over and over a voice in the back of my mind saying “ My son , My son, My son, My son,” The day before August 11th. I assumed it was just me missing my son and some type of side effect of what had transpired on June 27th through July 3rd when I was on the run for my life and ended up in three hospitals from the events that took place during that time.

However on the Morning of AUGUST 11TH I woke up and my life would change forever. I want to be clear that when I say a voice started speaking to me it was the voice of The Heavenly Father Through The Holy Spirit In Jesus Name Amen followed by holy angels through the rest of this testimony.

I am still spoken to daily and I am being ministered and prepared to Minister For The Church Of Jesus Christ Latter Day Saints. Experiences of what I have been dealing with will be shared throughout this testimony but to start Ill share day 40 August 11th

On August 11th I was called outside by this voice and Told to look up in the sky.

I looked up in the sky and I seen angels in the clouds with what looked like armor and spears and the voice said this to me

“ These are the Angels That are Fighting For your life you are not supposed to be alive”

At this point in time I thought this must be side effect of what happened down In Florida between June 27th and July 3rd and I being mentally strong ignored it and walked downtown thinking I must be losing my mind.

There was also like a dark shaped cloud that looked like it had horns as if the angels were fighting off this evil thing. It was clear as day but again I thought it was just me and I Needed to see a doctor.

However As I was downtown in a different location I again heard

“Look up in the Sky”

“ These are the angels that are still fighting for your life and they are fighting off the evil that is trying to take your life still” (this is hard to recall but I think it was something very close to that)

In the Clouds I seen more angels and yet again that same evil dark cloud with the horns was in the sky as well and it looked as if they angels were chasing it off.

I then heard

“ Go to Hoops Park “

At this point I was kind of caught up by a spirit or by something that I just obeyed because it was that vivid and clear that this wasn't a coincidence and something was speaking to me and calling me to the park.

Once I got to hoops park on the afternoon of August 11th 2023 the following happened.

I remember standing at the other side of the park as I was called over to do so by the same voice...

Then I heard the following

“ Kneel Down and Kiss the Ground You Walk On , This is the God of Abraham”

I did exactly what I was asked to do

When I stood back up I heard the following

“ Why do you have so much faith in my son, Kneel Down and Kiss the Ground you Walk On”

I did exactly what I was asked to and I then explained I have always had faith my entire life , Its just something I feel.

When I stood back up I heard the following

“ I want to introduce you to my son Emmanuel , He has saved your life , now kneel down and kiss the ground you walk on. “

I did exactly what I was supposed to do I kneeled down and kissed the ground I walked on.

When I stood back up I heard

“ Go over to the other side of the alter, and kneel down and kiss the ground you walk on and tell me why do you have so much faith in me”

I did exactly that and explained the same thing its just something I have felt my entire life

When I stood back up I heard again

“ Go over to the other side of the alter, and kneel down and kiss the ground you walk on and tell me why do you have so much faith in me”

I did exactly that and explained the same thing its just something I have felt my entire life

When I stood back up I heard again

“ Go to the front of the alter, and kneel down and kiss the ground you walk on and tell me why do you have so much faith in me”

I did exactly that and explained the same thing its just something I have felt my entire life.

I was then asked to go up to the top of the alter and stair to the fountain at the left.

When I staired at the fountain to the left I heard the voice say

“ This is the blood that I have bleed for you now look to the fountain to the right”

I looked to the fountain to the right and then I heard

“ This is the blood that I am bleeding for you , now keep looking “ (this could be bleed or bleeding I cant recall exactly but it was one of the two)

When I kept looking the mist started to role in the top of the fountain.

Then as I was looking I seen Mother Mary form in the myst and after I seen that I heard the voice say

“ Look at the rock in the middle and tell me how does it feel to know I saved your life , Tell me why you are so faithful to me , you are not supposed to be alive now pray like you’ve never prayed before “ (((I don’t exactly recall the sequewnce of those statements but they involved each part of that statement)))

When I looked at the rock in the middle of the lake , I seen Jesus face in the rock with a crown thorn on his head and his gown in the water. My body filled with adrenaline and a feeling of amazement as I was seeing a miracle first hand unfold before me including the mother mary presented to me in the myst as well that triggered everything to feel so in shock.

I then prayed and stood up and was told to look at the fountain on the left, the fountain to the right the rock in the middle and then heard

“ Go back to the other side of the altar and raise your hands in the sky and tell me how does it feel to have so much faith”

And So I did....

I was taught how to pray there for days to come as it took me a while to remember the sequence but the sequence formed a cross at the altar at the park and they have cameras there that would of seen me if they were recording for evidence to this testimony.

I was spoken to again over and over for days and sometimes told to stop walking and look up at the sky and seen sun rays were coming through the clouds and heard

“THIS IS THE LIGHT THAT YOU BRING INTO THE WORLD”

And my reply was

I was told to come back to the park at 7 am and 5 pm and that night at the homeless shelter I kept on hearing

“ YOU HAVE NO IDEA WHATS IN STORE FOR YOUR LIFE, YOU ARE A WALKING MIRACLE” over and over like divine intervention angels or an angel speaking to me almost like sounding of a introduction or announcement informing me that my life is going to change for ever as it says over and over

**“You have no idea , you are a walking miracle, you have no idea whats in store for your life...
”**

I am not adding this part to the story or making this up to glorify myself , I am sharing what I experienced and I believe it to been the divine intervention of angels now entering into my life because I have been spoken to every day since then The next morning I couldn't wait to get back there and I went back and when I walked outside I kept hearing

“This is the light that you bring into the world.”

When I got to the park and I went to the other side of the alter to pray because that's what I was asked to do again.

After I finished praying I was told to look up at the sky and I was introduced to my family members one by one in the clouds and I could hear them speak to me as if I was on the telephone with them. They all said I was a walking miracle and that they were in heaven because I prayed for them and I think it helped them get there; I was told to go and speak to my family at the flower bed.

This is where they were speaking to me and I was told to look at the fountain to left for 30 seconds.. and then look at the rock in the middle when I looked back at the rock it drew the vision closer to a centered point of view like things were growing closer to the rock in the middle from the illusion of staring at the fountain water spraying and there was a little guy and bigger guy that were holding hands on the rock and I heard

“ We are holding hands and you are coming closer to me”

I started crying because it felt so good to know that Jesus Saved my life and I was being spoken to by not only Him but my family as well from the Impressions or through the Holy Spirit In Jesus Name Amen.

They all told me that I was the bravest person for what I did down in Florida and that I was a walking, Miracle. Again I am not glorifying myself with these statements I am just sharing the truth of what I heard when spoken to. I believe this Testimony should only be geared towards the Miracle Jesus performed and not so much my decision that Led to the miracle that Jesus Performed.

After Speaking to my family The first thing I thought of was my grandparents and anything that I have ever done wrong. My family members forgave me immediately like the 500 dollars I owed for my grandpa he lent me.

I then heard my self-speaking from inside me like something was speaking as me but it wasn't me doing the speaking I was just listening to it as something had ahold of my spirit and spoke as me to my family. It was my own spirit speaking in my voice, but it was like a kid on Christmas with Joy and excitement and I heard

“ JESUS LOVES ME MOM, JESUS LOVES ME GRANDMA, JESUS LOVES ME GRANDPA, JESUS LOVES ME AUNT CRYSTAL, JESUS LOVES ALL OF US!!!!!!!!!!”

It was like something was speaking through me as me but it wasn't me it was me listening to my own voice speaking To them through The Heavenly Father Through The Holy Spirit In Jesus Name Amen.

I remember feeling so happy the happiest I have ever felt because I knew it was real my entire life and I was now being spoken to that people wouldn't believe me even if I told them because it was the realest thing I have ever felt.

I was told to come back at 5 PM to park but it was something speaking from inside me.

“Jerry come back to park at 5 pm “

This time when I went back there and to the other side of the alter, I repented for some of my sins. After I repented, I was spoken to and I heard

“ JERRY I WANT YOU TO LOOK UP THE LATTER DAY SAINTS IN YOUR AREA AND I WANT YOU TO MINISTER FOR THEM IN YOUR AREA”

I didn't even know what a Latter Day Saint was but I said ok and then I was told to go to the flower bed and speak to my family. And again, look at the fountain for 30 seconds and look at the rock in the middle accept this time the vision grew closer to the center and the one little guy, and the bigger guy were moving closer together and I was spoken to and heard.

“We are still holding hands and your family is right here with us.”

The remainder of my Testimony Shares what Happened Since then and Also what Happened between June 27th and July 3rd that led to Jesus Performing a Miracle.

The experiences are directly from my journal as I experienced them daily.

Please don't take this as a sub conscious or thoughts that I am sharing.

When I say a voice is speaking to me I mean exactly what I say. It is a voice that states it's the Heavenly Father Through The Holy Spirit In Jesus Name amen and The Angels.

You will hear me reference being spoken to throughout the Testimony and I need to be clear each time it's a voice and not my own thoughts. I noticed that other people in the book of Mormon have been spoken to by a voice as well.

You will also realize this voice taught me how to pray which I will also have come across scripture in the book of Mormon that contradicts the claims I am being led by a false spirit and again I forgive those people and pray for them to understand the truth, that is I am not being led by a false spirit.

I also want to be clear on the clouds and the angels I seen by sharing scripture from the book of Mormon its self.

Most importantly I want you to understand I never heard of a latter day saint before and it was never a passion of mine to become a minister in fact I didn't even know what they do. However I was called upon by the Heavenly Father Through The Holy Spirit In Jesus Name Amen and asked to become one for the Church Of Jesus Christ Latter day saints by The Heavenly Fathers Authority and that's the truth and reason also for this testimony.

If you believe in the book of mormon then you will have no problem finding charity hope and faith in my testimony because its the truth a voice speaks to me just like it happens to others in the book of mormon... I will send over the rest of my Testimony as I right it.

The earth shakes, and a voice commands men to repent

I am sure you want to know what happened between June 27th 2023 and July 3^d 2023 that led to the Miracle performed by Jesus but as I have said this Testimony is not about the decisions I have made so I will place what took place during that time at the end of this Testimony.

Instead, I would rather share with you Events that have happened since that day in reverse order which are pulled directly from my journal that I was spoken to and told to keep.

I hope these experiences of me being spoken to strengthen your faith and allow you to understand that this voice that speaks to me and says is the Heavenly Father Through The Holy Spirit In Jesus name Amen and speaks to me is exactly what I believe it to be.

Remember I had no Idea what a Latter Day Saint Was In fact I had to google it and look them up. Now I have been resisting temptation daily , and my faith again unshaken by the attempts of those around me to tell me this is not the truth and I am not spoken to, or I didn't give my life up etc... . Those statements make me grieve in my heart because I am sharing the truth for as I was asked to do by The Heavenly Father Through The Holy Spirit In Jesus Name Amen.

I want to be clear on these next journal entries because I am skipping the truth about my faith being tested and I don't want anyone at the church thinking I am judging those that wouldn't share this testimony. I will still place those entries more towards the end of this Testimony.

IN this next Journal Entry is when I was spoken to about something that is not in the bible nor in the book of Mormon and it took place on June 17th 2024

June 17th

Dear Heavenly Father Through The Holy Spirit In Jesus Name Amen Thank you for speaking to me and what I heard is

“ The Trinity Is not God But the GodHead is”

I looked it up and seen that the Trinity is

The Father, The Son, The Holy Spirit

The Godhead is all three connected as one divine god in nature.

Dear Heavenly Father Through The Holy Spirit In Jesus Name Amen Thank you for saving my life I am grateful to be alive.

I wanted to make a note here and say that I have shared this Journal entries with the church elders that I spoke to. I even have a journal entry of what happened after they told me that they would not be sharing my testimony further at the church about how christ saved my life and May the Heavenly Fathers Son forgive them.

It's Important for me to share this journal entry because this is more proof that the Heavenly Father Through The Holy Spirit In Jesus Name Amen is speaking to me and telling me and is comforting me and helping me Minister the Members who aren't listening with their heart fully. I hope to share this in a non judgmental way but to share it because there are going to be weeks and days skipped in this testimony and they are entries like this next one below that I am skipping.

June 25th 2023

Dear heavenly Father Through The Holy Spirit In Jesus Name Amen I shared my Testimony with the elders and they mis understood some of my messages.

Again I was met with being told no , my Testimony will not be shared further because they believe Im being led by a false spirit.

IK was then spoken to by the Heavenly Father Through The Holy Spirit In Jesus Name Amen and Instructed to remain calm and prove my faith.

I was spoken to and told by The Heavenly Father Through The Holy Spirit In Jesus Name Amen to Tell them to repent for not following the Third Commandment.

I also showed them that if a man is trying to spread the truth and belief in christ he was sent by the Heavenly Father as per Moroni. I will remain strong and my faith unshaken and put my trust in the Heavenly Father Through The Holy Spirit IN Jesus Name Amen.

I want to make a note here after this entry because this is not the first time the voice spoke to me and told me to say repent for not following the third commandment. Here is the most joyful

part. The first time I was told to tell the gentlemen who told me I was possessed by Sat .. an I was spoken to and told to tell him repent for not following the third commandment a long time ago. The part that brings joy to my soul is I didn't know what the third commandment was. So how could I tell someone to repent for not following it ? Then I looked it up after I spoke that to the gentlemen at the church and it seems to me that I was bringing him to salvation through repentance for not speaking with love towards someone that is trying to share their testimony in christ. That is using the heavenly Fathers name in vain and not carrying the Heavenly Fathers Name Honorably. He has since apologized to me and I forgive him but the truth is The Heavenly Father Through The Holy Spirit In Jesus Name Amen was speaking to me then and is still speaking to me now and still asking me to share my Full Testimony. There is a lot more journal entries coming up that will strengthen anyone's faith and brings joy to my soul to share it with you as I add more to this Testimony.

Brothers and Sisters in Christ

I am working in no order of date but some of my favorite experiences of being spoken to that will be sure to bring joy and strength of faith in you life as it has mine. Again, This is not my thoughts this is a voice that speaks to me.

Some of these experiences I have documented when being spoken to by the heavenly Father Through The Holy Spirit In Jesus Name Amen are so strongly filled with the Holy Spirit that it may put you in disbelief.

I encourage you to understand that I am sharing the Truth as I was asked to do and this brings me to the next journal entry that is worthy of sharing to strengthen faith and not share my complete journey of my own faith until the time is right to do so.

Date Sometime Around September I didn't Date the Journal Entry

I remember Walking Down the Street and I was spoken to and heard the voice say

"Jerry Look up"

I looked up and seen a cross in the distance; I then heard the voice say.

" This is where I want you to go pray from now on "

I went there the next morning to arrive at 7 am and the rain was pouring and it was dark out. As I kneeled down to kiss the ground I walked on in the pouring rain in front of the cross with

rain water dripping off of the concrete and off of the cross I heard the voice of The Heavenly Father Through The Holy Spirit In Jesus Name Amen Say

“ This is the blood I spilled for you”

“ The blood I’ve lost for you “

“ The blood is Pouring for you”

I went back and took a during the day time to capture the image but it will never be able to be experienced like that again but that is not the only time I would hear those statements spoken to me. Here is the picture of where that occurred it was just dark out and way more rain as it happened.

That was such a beautiful moment and the truth of what I heard.

This next experience is when I knew I was definitely not crazy. It was when I was actually given a sign by YAHWEH after being spoken to.

This happened on August 22rd 2023

August 22rd 2023

I was spoken to and basically the voice of the Heavenly Father Through The Holy Spirit In Jesus Name Amen was Very Loud Saying

“ Get Out of the House”

“Get Out of this House”

Over and over as I was commanded to take some left over money I had and get into a hotel room instead of a Homeless Shelter. I was scared to leave because they would of kicked me out if I didn't return within so many days and I put my faith into the Lord that day and with my bag of things and bible clinched to my side I left the shelter and got on a city bus that was coming.

This is when I seen two people I will never forget for the rest of my life because it was a sign that I was speaking to who I thought I was.

The day before I was at the library and I learned who Yahweh was and how St.Mathew was named Mattija by Jesus which meant “ Chosen By Yahweh” or “ Chosen by God”

When I was on the bus holding my bible or when I got on the bus a man seen me with a bible and didn't say much to me but he pulled down his shirt so I could see his chest tattoo.

His chest tattoo said YAHWEH in big bold letters and at that point I knew I was told to leave the house for a reason and I was definitely speaking to the Heavenly Father Through The Holy Spirit In Jesus Name Amen.

I want to make it clear that I was in shock that this just happened. I knew I was being spoken to but I still had some concerns of how much I was being spoken to and this was when I knew what was happening in my life was real.

On August 23rd I was spoken to by the Voice of the Heavenly Father Through The Holy Spirit IN Jesus Name Amen and Heard

“YOU NEED TO LISTEN WITH YOUR HEART”

This Experience was Important because it allows me to lead into another Unbelievable experience when I was spoken to again further down the road. Again these experiences I am sharing in no chronological Order but as I View as Important Confirmation that The Heavenly Father Through The Holy Spirit IN Jesus Name Amen Speaks to me.

On March 8th 2024

March 8th 2024

Dear Heavenly Father Through The Holy Spirit In Jesus Name Amen today I was spoken to by the voice of the Heavenly Father Through The Holy Spirit IN Jesus Name Amen While Standing in line I heard loud and clear in my ear...

“ HEAVEN IS WHERE THE HEART IS”

After hearing that I remembered it and I walked back to the Laundry Mat and then again I was spoken to by the voice of the Heavenly Father Through The Holy Spirit In Jesus Name Amen and heard

“ GO OUTSIDE AND LOOK IT UP”

When I went out side and googled Heaven is where the heart is this is the first thing I read

“ Close your eyes My Son

Bow Your Head Down

There is Not a Time or a Place

That I am not around

Through All your HardShips”

This was another confirmation that brought tears to my eyes and still brings tears to my eyes and joy to my soul just writing this down on this Testimony because it is the truth. I messaged the person who wrote that song to let him know that The Heavenly Father Through The Holy Spirit In Jesus name Amen has used his song to speak to me and I was the only person that

listened to the song from the looks of it. Which leads me to believe it wasn't a coincidence that google search pulled up that song. Let this below picture show proof to the above journal entry. And if you google it you will see the same thing.

Heaven Is Where the Heart Is

Lyrics

Close your eyes, my son
Bow your head down
There is not a time or a place
That I am not around [Full lyrics](#)

This is not the first time I was spoken to about the heart and listening with my heart and or having a broken heart. Which brings me to one of my most favorite experiences when I was spoken to about healing from a broken heart by The Heavenly Father Through The Holy Spirit In Jesus Name Amen. This occurrence Happened on September 9th 2023.

September 9th 2023

Dear Heavenly Father Through The Holy Spirit In Jesus Name Amen Again today you showed your patience for my frustration as I fight the unfortunate thoughts of I just want to be normal again. I think IM scared that I will never be able to watch football or do anything fun besides read the bible chapter 7 – 11 of St.Mathew As the voice of the Heavenly Father Through The Holy Spirit In Jesus Name Amen has Instructed me to do.

I was previously spoken to a couple days prior and told

“ I want you to wear a suite down to the park for prayer from now on “

On September 9th 2023 I self created anger at the fact of wearing a suite, my back hurts I didn't want to walk and I just wanted to be left alone.

I heard the voice of The Heavenly Father Through The Holy Spirit In Jesus Name Amen speak to me again clear as day in my ear

“ Why are you so mad I am trying to help you “

“ Why are you so afraid to be a good Person”

“ I GOT NOTHING BUT TIME “

During my prayer sequence I heard the Voice of The Heavenly Father Through The Holy Spirit In Jesus Name Amen say loud and clear

“ Look at the Fountain on the Left , That is the Blood That I have Lost For you, Now look at the Tree Behind the Fountain On The Left, That is where your Heart should be”

I looked and it was the biggest tree filled like a big huge tree I was then spoken to at that time and heard

“ Now look to the tree to the left of it , That is Where Your Heart is at Now”

This tree was half the size of that tree I originally looked at. Then I was spoken to yet again and heard.

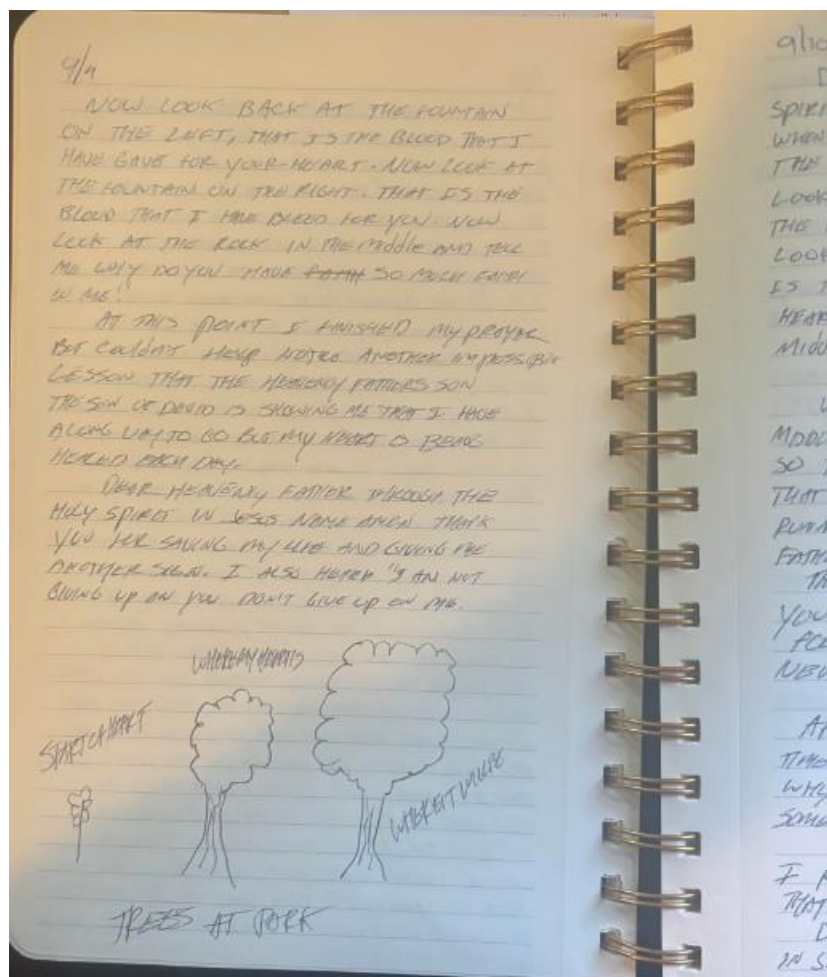

“ Look to the tree to the left, That is where your heart was when we started “

The tree I seen that Time was a baby Tree.

I was then spoken by the voice of The Heavenly Father Through The Holy Spirit In Jesus Name Amen and I heard

“ Now look back at the Fountain on the Left, That Is the Blood That is the blood I have Gave for your heart. Now look at the Fountain on the right. That is the Blood that I have bled for you. Now look at the rock in the middle and tell me why do you have so much faith in me.”

This is the Journal entry from that day to depict what the trees looked like As I was looking at them.

I will just share another instance where I was spoken to at prayer but this time it was raining and this was before I was told to go pray at the cross.

On September 10th

I was spoken to by the voice of the Heavenly Father Through The Holy Spirit In Jesus Name Amen and heard

**" Look at the fountain to the right that is the blood im bleeding for you
now look at the fountain to the left that is the blood I have given up for your heart
Now look at the rock in the middle , I am bleeding for you "**

When I looked at the rock in the middle I seen Jesus in the rock with rain water that appeared running down his face as if it was blood running down the face of the Heavenly Fathers son.

I was then spoken to again by the voice of The Heavenly Father Through The Holy Spirit In Jesus Name Amen and heard

“Tell me why do you have so much faith in me, Now Pray Like You’ve Never Prayed Before “

What Happened a couple days prior to this was on September 8th 2023

September 8th 2023

I was walking to the park to pray and this was before being spoken to to pray at the cross. I started complaining about my feet and my back hurting building up in my head negativity.

I was then spoken to by The Voice Of the Heavenly Father Through The Holy Spirit In Jesus Name Amen and heard loud and clear

“ I am carrying your weight without shoes on when I walked miles and miles up on a mountain “

I started feeling bad thinking about how the Heavenly Fathers Son gave his life for our sins. And when I got to the park I was spoken to again while walking around the trail to the bench where I usually sit to read the gospel as commanded to. Then I was spoken to again by the voice of the Heavenly Father Through The Holy Spirit In Jesus Name Amen and I heard

“ Sit on the Bench for 8 seconds “

Then I was spoken to again by the Voice of The Heavenly Father Through The Holy Spirit In Jesus Name Amen again and heard

“ Now Get up , That’s how long of a Break I had carrying a cross on my Back up A Mountain “

I couldn’t help thinking how negative I was being then I was spoken to again and heard

“ Your Negativity is self created “

Then I prayed like ive Never Prayed Before.

There were lots of other journal entries that I can provide for this testimony including angels speaking to me and ministering me. I remember people thinking I was crazy and that they don't have angels ministering them. The truth is these angels not only ministered me but brought the spirit of truth on to me. I can not lie about a single thing in my life or exaggerate or even word my sentences without the truest intent and motives speaking the truth. They spoke to me multiple times still to this day saying I am a walking miracle and that Jesus Saved my life. I don't say that for self glory but to speak the truth. I don't think the people understand what is happening in my life and I have been spoken to every day since august 11th.

This next experience was when I got alittle excited because I know it was another sign I was being spoken to.

August 27th I was told multiple times that I would be changing the world and I have no Idea that I am a walking Miracle.

Then I was spoken to by the voice of the Heavenly Father Through The Holy Spirit In Jesus Name Amen and heard loud and clear

“ Watch the First 30 minutes of the son of Adam , The son of God “ (It may have been both or I may have forgotten which one it said.) However within the first 30 minutes of the movie there came a part that said this

“ Follow me and I will make you a Fisher of men “

The Fisher Men asked what are we going to do ?

The response

“ CHANGE THE WORLD “

I was freaking out alittle bit but I was excited because I know for a fact that the angels were speaking to me saying I was a walking miracle and that I would change the world and then The voice of the Heavenly Father Through The Holy Spirit In Jesus Name Amen also showed me that sign.

While some may not believe this portion , or may doubt that angels speak to me and minister me and I am spoken to I want to share a reference from the book of Mormon of the Gifts that are given by god. I don think I am any more important than anyone , and I don't wish to be worshiped I am only sharing the miracle that jesus performed and what my experiences have

been since then. I have been ministered by angels to remain meek and humble and still hear to this day ill be changing the world. I have my own doubts in that and even talked to a psychiatrist.

However when I asked the psychiatrist how my brain could introduce me to a name I never heard of before “ Emmanuel” or “ Latter Day Saints” or How I could hear a Choir of Voices Reading the Bible with me one time. He stated you are asking me the questions I don’t have the answers to and then I had a cat scan ordered and my brain is healthy as can be. I still talk to the psychiatrist daily because he is another person that can testify to this testimony. I have spoken to him for a year almost and He was willing to write me a letter of confirmation stating that I am not a lunatic basically and that I am telling the truth. His name is Dr.Paparone if someone needed to reach out to them. I speak to him because some days I have a hard time believing or thinking im not crazy myself but then I re read my journals and relive what happened and there is nothing more true then what I am sharing with you all and that is . I am not supposed to be a live to give this testimony and I was asked to share the truth.

The truth is There is only one god , the god of Abraham and he was always supposed to be worshipped through his son and that is in one of my journal entries. I was spoken to by the voice of the Heavenly Father Through The Holy Spirit In Jesus Name Amen and told I can change the world simply by sharing the truth , and the Truth is in this Testimony.

This brings me to one of the next most amazing joyful experiences when I was finishing the first gospel St. Mathew This is what happened.

September 30th 2023

I remember reading the end of the gospel and my voice changed to a little child’s voice I believe it was my own voice as a kid in my head it was no longer my voice it was something speaking as me but as a child and I was just a listener as I was reading

During that time after I was spoken to by the voice of The Heavenly Father Through The Holy Spirit In Jesus Name amen and I heard Loud and clear

“ How is it that You heard your voice when you were a child when he was being crucified”

“ That’s because I gave my life for you “

“ I Saved Your Life and You are A Walking Miracle “

This was the most emotional experience because I truly heard myself speaking as a kid no longer had an adult voice. I was then spoken to again by the Heavenly Father Through The Holy Spirit In Jesus Name Amen and heard

“My Son Saved your Life “

Then again I experienced what seemed or felt like something taking hold of my spirit again and started speaking as me in my voice but it wasn't me I could hear it in my ears but it wasn't me speaking it was something from inside me speaking as me.

My spirit was yelling

“ MOM YOUR STILL HERE ??????? “

and it went through each family member

“ GRANMA YOU STILL HERE,,,, GRANDPA YOU STILL HERE !!!!?? ... , each family member one by one as my voice got more and more excited like a kid so joyful on Christmas and they answered back

“ WERE STILL HERE AND WE WILL ALWAYS BE WITH YOU “

Then again something took ahold of my spirit and was telling them one by one saying

“ JESUS LOVES ME MOM, JESUS LOVES ME GRANDMA , JESUS LOVES ME GRANPDA , JESUS LOVES ALL OF US “

I was then spoken to by the Heavenly Father Through The Holy Spirit In Jesus Name Amen and heard

“ Go to the kitchen window and stare out the window while you wash your hands and face and pour water over your head“

I then washed my hands and face and poured water over my head and I was then Spoken to by the voice of The Heavenly Father Through The Holy Spirit In Jesus Name Amen and heard

“ How does it feel to know that Jesus Saved your life “

At this time when I stared out the window I heard

“ The blood is Pouring For you “

as I could barely see the cross that I could usually see because of the rain coming down. During this time I remember right before this happened

This was one of the most emotional experiences for me and in fact just re reading the journal entry and sharing it in this Testimony brought so much joy to my soul that my eyes were tearing as I write this. Here is the pictures of where I usually seen the cross out my window and how on this day when I was spoken to where I poured water over my head and heard the blood is pouring for me it wasn't visible.

Dear heavenly Father Through The Holy Spirit In Jesus Name Amen Today you spoke to me and I heard

“ Let your faith bring you to salvation “

It also occurred to me that as I am woken up on some nights and being spoken to and hear multiple angels speaking to me saying

“Kneel Down at the cross and repent “

After I am giving a dream or spoken to by them for some of my past Sins , Like not honoring my father or mother correctly. It is clear to me that angels are ministering me and I am in the remission of sins.

Dear heavenly Father Through The Holy Spirit In Jesus Name Amen Last night when I was having trouble coming to terms with how I was called upon to be a minister I was spoken to and heard.

“ I need to be able to trust you with peoples souls”

This is in regards to another journal entry where I was spoken to on

March 19th

Dear Heavenly Father Through The Holy Spirit In Jesus Name Amen during reading the end of John I was spoken to again by the Heavenly Father Through The Holy Spirit In Jesus Name Amen and heard.

“ How does it feel to know that’s the same person who saved your life”

At that moment I realized I fell back into a mindset of nobody will believe me the excitement was gone but I thought maybe that’s a good thing to remain humble.

Since July 3rd, a life-altering decision has invited The Heavenly Father Through The Holy Spirit In Jesus Name Amen into my life and On August 11th, exactly 40 days later, a presence began speaking to me daily.

This voice or voices are The Heavenly Father Through The Holy Spirit In Jesus Name Amen and the Holy Angels , has filled my life for nearly a year now.

My testimony, they say, holds the power to change the world, and they urge me to share it with the Latter-day Saints Church. Despite persistent efforts, my attempts have been repeatedly denied. Now, I reach out to all who share faith in Christ.

Help me deliver this message to the President of the Church and anyone who seeks the joy and peace that comes from knowing the truth: Christ is real, He sacrificed for our sins, and He has personally saved mine. Please understand, this calling is not of my own choosing.

The Heavenly Father, through the Holy Spirit, has chosen me to be a minister for the Latter-day Saints. My journals overflow with a year's worth of experiences, daily messages, and angelic miracles, but here I share only a glimpse.

While some may doubt, I hold unwavering faith. A lie detector test will soon silence their disbelief, but such measures bring me great sadness. This testimony is that impactful. Open your hearts, for within them lies the key to understanding. Though I've shared but a quarter of the truth, know this: with love and peace, I implore you to listen.
